Cause

Michael Lehman is currently being supervised by the United States Probation Office in the Central District of California. As a condition of his probation, Mr. Lehman is required to submit to alcohol testing and treatment. However, it is the recommendation of the supervising United States Probation Officer that for that treatment to be effective, the offender must abstain from consuming any alcohol during the course of treatment. The current standard conditions allow for consumption of alcohol that is not excessive. Mr. Lehman has signed the Waiver of Hearing to Modify the Conditions of Probation and has agreed to discontinue any alcohol consumption during the course of treatment.

It is respectfully recommended that the Court modify the conditions of probation to include a special condition that while in alcohol treatment and testing, the offender refrain from the use of alcohol.

Assistant U.S. Attorney Derek Owens and Defense Counsel Warner Berry have been notified and there are no objections.

Address of offender: 4217 Del Mar Avenue
